General Eligibility Criteria Applies to All Programs

High School Grades

Students must have their GPA reported on the SC Uniform Grading Policy (UGP) to be eligible for State scholarships.

*SC Department of Education's UGP: http://ed.sc.gov/agency/offices/hsr/UGP.htm

SC HOPE Scholarship

SC HOPE Scholarship

Eligibility Criteria

- Earn at least a cumulative 3.0 GPA based on the UGP upon high school graduation
- Be a South Carolina resident at the time of high school graduation and at the time of college enrollment
- Must <u>not</u> be a recipient of a LIFE Scholarship, Palmetto Fellows Scholarship or Lottery Tuition Assistance

SC HOPE Scholarship

Awarding Process

- Full-time students attending an eligible four-year institution may receive up to \$2,800 (including a \$300 book allowance) toward the cost-of-attendance during the <u>first</u> <u>year only.</u> Half will be awarded in the fall semester and half in the spring semester.
- Students are eligible to receive the SC HOPE Scholarship for up to two terms.
- Students who receive the SC HOPE Scholarship and earn a 3.0 LIFE GPA and 30 credit hours by the end of the first year may receive the LIFE Scholarship for the second year of college.

LIFE Scholarship

LIFE Scholarship

Eligibility Criteria

- Be a South Carolina resident at the time of high school graduation and at the time of college enrollment
- Must <u>not</u> be a recipient of the SC HOPE Scholarship, Palmetto Fellows Scholarship or Lottery Tuition Assistance during the academic year

LIFE Scholarship

Initial Eligibility Requirements for Students Attending Fouryear Institutions

- First-time full-time entering freshmen attending an eligible SC institution must meet two of the following three criteria to qualify for the LIFE Scholarship:
- 1. Minimum 3.0 cumulative GPA based on the SC Uniform Grading Policy;
- 2. Minimum 1100 SAT or 24 ACT; and
- 3. Rank in the top 30% of the graduating class (diploma eligible students only and based on the SC Uniform Grading Policy).

<u>Initial Eligibility Requirements for Students Attending Two-year Institutions:</u>

1. Minimum 3.0 cumulative GPA based on the SC Uniform Grading Policy (the standardized test score and class rank requirements are waived).

LIFE Scholarship Enhancement

Initial Eligibility Criteria

To receive a LIFE Scholarship Enhancement, students <u>must</u> meet all of the following requirements:

- Be a recipient of a LIFE Scholarship
- Be enrolled as a full-time, degree-seeking student in a declared major of science or mathematics (go to <u>www.che.sc,gov</u> for eligible programs)
- Be enrolled at an eligible four-year public or independent institution located in SC
- Be in the second, third or fourth year of full-time enrollment (based on initial date of college enrollment after high school graduation) in an eligible undergraduate degree program at an eligible four-year public or independent institution located in South Carolina

LIFE Scholarship Enhancement

Initial Eligibility Criteria (Continued)

Incoming 2007 Freshman Class & Thereafter

Beginning with the Fall 2007 freshman class and thereafter, all students must have successfully completed at least fourteen credit hours of instruction in mathematics and life and physical science courses with a minimum of six hours in mathematics and a minimum of six hours in life and physical science including one laboratory course by the end of the student's first year of enrollment in college (beginning the time the student entered college).

LIFE Scholarship Enhancement Fourteen Credit Hour Requirement

Students <u>may</u> use credit hours earned by the end of the first year of college enrollment (based on initial date of college enrollment) in the following courses to meet the fourteen credit hour requirement for the LIFE Scholarship Enhancement:

- Exempted credit hours earned on a transcript at an eligible institution (only);
- Advanced Placement (AP) credit hours earned on a transcript for a grade of three or more on an AP exam at an eligible institution (only);
- International Baccalaureate (IB) courses;
- College Level Examination Program (CLEP) earned on a transcript of an eligible institution(only);
- Pass/Fail credit hours for courses with a grade of "Pass" (only);
- Credit hours earned in high school while in a dual enrollment program at an eligible institution;
- Credit hours earned in summer school at an eligible institution;
- Credit hours earned at in-state eligible institutions; and
- Credit hours earned at out-of-state eligible institutions.

LIFE Scholarship and LIFE Scholarship Enhancement

Award Amounts

- Full-time students attending an eligible SC fouryear institution (public and independent) may receive up to \$5,000 (which includes a \$300 book allowance) toward the cost of attendance each academic year.
- Full-time students attending an eligible SC twoyear institution (public and independent) may receive up to the cost of tuition and fees plus a \$300 book allowance.

LIFE Scholarship and LIFE Scholarship Enhancement Award Amounts

- The LIFE Scholarship may be awarded for a maximum of eight consecutive semesters (excluding summer school) at a four-year institution, up to four consecutive terms at a two-year institution for an associate's degree program and up to two consecutive terms for a one year diploma program (based on initial date of college enrollment). The LIFE Scholarship may be awarded for ten consecutive semesters if the student is in a CHE approved 5-year program.
- LIFE Scholarship Enhancement can be awarded up to \$2,500 for students attending eligible SC four-year institutions as a declared major in a math or science field. The LIFE Scholarship Enhancement can be awarded up to six consecutive terms at a four-year institution.

For early awards, students must submit applications to the Commission on Higher Education by **December 14, 2008**. In order to be eligible to apply for early awards, students must meet one of the following criteria (students <u>cannot</u> use these criteria to meet the final awards criteria):

- Score at least 1200 on the SAT (27 ACT) by the <u>November</u> test administration of the high school senior year, earn a minimum 3.50 cumulative GPA on the SC Uniform Grading Policy (UGP) at the end of the junior year, and rank in the top six percent of the class at the end of either the sophomore or the junior year; Or
- Score at least 1400 on the SAT (32 on the ACT) by the <u>November</u> test administration of the high school senior year and earn a minimum 4.00 cumulative GPA on the SC UGP at the end of the junior year, without regard to class rank.

For final awards, students must submit applications to the Commission on Higher Education by June 13, 2008. In order to be eligible to apply for final awards, students must meet one of the following criteria:

- Score at least 1200 on the SAT (27 ACT) by the <u>June</u> national test administration of the <u>senior year</u>, earn a minimum 3.50 cumulative GPA on the SC UGP at the end of the <u>senior year</u>, and rank in the top six percent of the class at the end of the <u>sophomore</u>, <u>junior</u>, <u>or senior year</u>; or
- Score at least 1400 on the SAT (32 on the ACT) by the <u>June</u> national test administration and earn a minimum 4.00 cumulative GPA on the SC UGP at the end of the <u>junior or senior year</u>, without regard to class rank.

■ Final Awards for Pending Students:

- Students must meet all other criteria (3.5 GPA at end of senior year and top 6% of graduating sophomore, junior or senior class <u>or</u> 4.0 GPA at end of the junior or senior year);
- Students and High School Counselors must submit an online application by the <u>June 13, 2008</u> deadline.
- CHE Registration codes for June test administration:
 - SAT: 4313
 - ACT: 6326

APPLICATION PROCESS

Information about the electronic application process is mailed to principals and counselors in October for the early awards and in March for final awards.

Counselors are responsible for notifying all eligible students.

■ Freshman students may receive up to \$6,700 during the first academic year toward the cost-of-attendance

Sophomores, juniors and seniors may receive up to \$7,500 each academic year toward the cost-of-attendance
